

# Bee Movie Script Short Edition

According to all known laws  
of aviation,

there is no way a bee  
should be able to fly.

Its wings are too small to get  
its fat little body off the ground.

The bee, of course, flies anyway

because bees don't care  
what humans think is impossible.

Yellow, black. Yellow, black.  
Yellow, black. Yellow, black.

Ooh, black and yellow!  
Let's shake it up a little.
